

Public meeting

The issues that matter to you!

- Are we losing control of our city's water assets under the Three Waters reform?
- Would you want a three-story house next to your place under the new housing rules?
- Will there be cars parked 24/7 in front of your house under the new parking rules?

The Avonhead Community Group is calling a public meeting to discuss these issues:

When: **Tuesday, 26 April 2022 at 7 pm**

Where: **St Marks Church, Withells Road**

What to bring: **Your questions!!**

Your local Members of Parliament (Sarah Pallett and Gerry Brownlee) and your City Councillor Sam MacDonald have been invited to speak for and against the Government's rule changes.

So come along to the public meeting and ask the questions on your mind!

NOTE: for COVID-19 safety reasons, please remain masked at the meeting.
